Vermont Standards Board for Professional Educators

Due to the heavy workload of the Higher Education Committee, the full Board meeting will not begin until 9:30. The Higher Education Committee will begin committee work at 8:30.

June 17, 2009

Dear Standards Board Members,

I want to thank everyone for a very productive year. I continue to remark to people how well our membership works together. As we did last June, the Higher Education Committee will begin their work at 8:30. We will call the full Board to order at 9:30 and continue committee work for both committees.

We will have an important discussion regarding input from the VSBPE to the Transformation Policy Commission. Please read the document drafted by the Educator Quality Division that describes the work of the VSBPE that supports the Transformation effort. I will also update the Board on the work of the Policy Commission.

We will need to schedule our August meeting. This is always a challenge. Please bring your August calendar and we will check off dates we cannot attend a VSBPE meeting in August and hopefully, we can schedule an August date.

Sincerely,
